Formal WhatsApp Group Communication

GrowthBridge Consulting x Luxe by Madiha

Six-Month Social Media Reach and Digital Marketing Improvement Project

Academic consulting project. All names, dates, meetings and outcomes are simulated or proposed. No real client analytics, approvals or results are claimed.

GrowthBridge Consulting and Luxe by Madiha
Project: Six-Month Social Media Reach and Digital Marketing Improvement Project

> **Simulation notice:** The groups, messages, names and dates below are illustrative examples for academic purposes. They are not real conversations.

---

1. Why Professional WhatsApp Groups

WhatsApp is used for quick coordination. Formal approvals, reports, the proposal and budget discussions stay on email, so that there is a written record. The WhatsApp groups were approved by the client in the proposal review meeting (MOM 04).

2. The Two Project Groups

Group	Name	Purpose	Members
Group 1	**Luxe by Madiha x GrowthBridge: Project Group**	Project-level updates, meeting scheduling, approvals reminders, delays	Ms. Madiha (Business Owner); Sara Ahmed (Project Lead); Hamza Raza (Strategist)
Group 2	**Luxe x GrowthBridge: Content Team**	Day-to-day content work: calendars, drafts, data requests, posting questions	Nimra Siddiqui (Social Media Coordinator); Bilal Hussain (Product and Sales Contact); Hamza Raza; Zoya Malik (Content and AI Specialist)

All names are simulated.

Group Description (pinned message)

"Official project group for the Six-Month Social Media Project. Business hours: Monday to Saturday, 10:00 a.m. to 6:00 p.m. Formal decisions and documents are confirmed by email."

3. Group Rules (shared on the first day)

1. **Respect and professionalism:** polite language, no jokes about customers or competitors.
2. **Business hours:** messages are answered within one working day; urgent matters are marked "Urgent" and followed by a call.
3. **Email for formal matters:** approvals, budget, reports and proposals are confirmed by email; WhatsApp may be used to remind.
4. **No personal customer data:** do not share customers' names, phone numbers or addresses in the group.
5. **One topic per message:** keep messages short and clear so that they can be searched later.
6. **Files:** share analytics screenshots and drafts as files; the final documents go by email.
7. **Decisions:** a decision made in the group is recorded in the next minutes of meeting or confirmed by email.
8. **Admins:** the Project Lead is the group admin and can add or remove members.

4. Sample Conversations: Group 1 (Project Group)

Group creation and welcome (1 December 2026, 11:30 a.m.)

Sara Ahmed: Assalam-o-Alaikum everyone. Welcome to the Luxe by Madiha x GrowthBridge project group. This group is for quick coordination. Formal approvals will be confirmed by email. Please see the pinned rules.
Ms. Madiha: Wa Alaikum Assalam. Thank you, Sara. This will be helpful.
Hamza Raza: Thank you. We will send the Month 1 data checklist by email today.

Meeting scheduling (18 January 2027)

Sara Ahmed: Ms. Madiha, we would like to hold the strategy review on Thursday, 28 January at 11:00 a.m. in person. Does this suit you?

Ms. Madiha: Yes, 11:00 works.
Sara Ahmed: Thank you. Confirmed for Thursday, 28 January, 11:00 a.m. The agenda will follow by email.

Approval reminder (2 February 2027)

Sara Ahmed: Ms. Madiha, a gentle reminder that the February content bank is waiting for your review. Our agreed review time is three working days. Could you please review it by Thursday?
Ms. Madiha: Sorry for the delay, I was busy with a collection launch. I will review it tomorrow.
Sara Ahmed: Thank you. Please confirm approval by email when done.

Delay notice (24 February 2027)

Sara Ahmed: Dear Ms. Madiha, the March calendar will be shared on 1 March instead of 28 February because we are waiting for the planned product photography dates. I will send details by email.
Ms. Madiha: Understood. I will send the dates today.
Sara Ahmed: Thank you.

Monthly report reminder (3 March 2027)

Hamza Raza: The Month 3 report has been emailed. In short, results are still early and directional, and we will review them in our next meeting. Please share any questions here or by email.

Closing message (27 May 2027)

Sara Ahmed: Thank you, Ms. Madiha, for your cooperation throughout the project. The final report and handover pack have been emailed. This group will be closed on 31 May 2027. Any further support would be agreed separately.
Ms. Madiha: Thank you to the whole team.

5. Sample Conversations: Group 2 (Content Team)

Data request (2 December 2026)

Hamza Raza: Assalam-o-Alaikum Nimra. For the audit, could you please share TikTok analytics screenshots for the last 90 days by Friday?
Nimra Siddiqui: Wa Alaikum Assalam. I will send them tomorrow. TikTok only shows part of the older data. Is that fine?
Hamza Raza: Yes, please share what is available. We will note the limits in the audit.

Content approval (9 February 2027)

Zoya Malik: The captions for this week are uploaded in the shared folder. Please check the caption for the new lawn suit, because it mentions fabric details.
Bilal Hussain: The fabric is correct, but the price should say "starting from". I will confirm before posting.
Zoya Malik: Thank you. I will update the caption.

Posting question (16 February 2027)

Nimra Siddiqui: The video planned for Tuesday is not ready because the photography is delayed. Can we post the styling post instead?
Zoya Malik: Yes, post the styling post on Tuesday and move the video to Thursday. Please record the change in the calendar.
Nimra Siddiqui: Done.

Customer reply help (4 March 2027)

Nimra Siddiqui: Customers often ask about delivery time. Can we have a standard reply?
Zoya Malik: Yes. I will send a template today. Please confirm the delivery time with Bilal first, and check the wording before using it.
Bilal Hussain: Standard delivery is [confirmed time]. I will send you the correct details.

6. What Not to Do in the Groups

Do	Do not
"Could you please share the analytics export by Friday?"	"Send the data ASAP!!!"
Share a one-line summary and refer to the email	Paste long reports into the chat
Mark urgent items clearly and call if needed	Send many unrelated messages late at night
Confirm decisions by email	Treat a chat reply as a signed approval

7. Record Keeping

- Important decisions in the groups are noted in the minutes of meeting or confirmed by email.
- At the end of the project, the groups are closed and the key messages are exported or summarized for the project file, with personal data removed.
